

Tennessee Gas Pipeline
Company, L.L.C.
a Kinder Morgan company

Tennessee Gas Pipeline Company, L.L.C. (TGP) will be hosting ten in-person open houses and one virtual open house to provide local residents and other interested stakeholders with additional information regarding the proposed Mississippi Crossing Project (Project).

The proposed Project includes approximately 206 miles of new 42-inch diameter and 36-inch diameter pipeline and new compressor and meter stations in the states of Mississippi and Alabama, designed to transport natural gas from TGP's 100 Line near Greenville, Mississippi, to SNG's south mainline near Rose Hill/Meridian, Mississippi and to Transco's Station 85 near Butler, Alabama.
