

Oil Pipeline Filing
Cypress Interstate Pipeline LLC
August 1, 2025

Ms. Debbie-Anne A. Reese, Secretary
Federal Energy Regulatory Commission
888 First Street, NE
Washington, DC 20426

Dear Secretary Reese:

In accordance with the requirements of the Interstate Commerce Act (ICA) and the Rules and Regulations of the Federal Energy Regulatory Commission ("FERC" or "Commission"), in particular Section 341.3 (Form of Tariff) and 342.3 (Indexing), 18 C.F.R. §§ 341.3, 342.3, Cypress Interstate Pipeline LLC ("Cypress") submits for filing the following tariffs, effective September 1, 2025:

- FERC Tariff No. 9.19.0, Volume Incentive Tariff applying on purity ethane and commercial ethane transportation (cancels FERC Tariff No. 9.18.0)

Following its implementation of the 2025 oil pipeline index-based adjustments, Cypress became aware of an error in its calculation of rates that occurred in its October 1, 2024 tariff filing. A correction to the rate, on a prospective basis, is being filed by Cypress in FERC Tariff No. 9.19.0. Included in this filing is a table showing the Tariff Schedule Changes, which contains the information required by 18 C.F.R. § 342.3(b), including the corrected rate schedule to be changed, the proposed corrected rate, the prior rate, and the applicable ceiling level. The rates in FERC No. 9.19.0 are proposed in accordance with Section 342.3(a) of the Commission's regulations, which permits a carrier to change a rate, at any time, to a level which does not exceed the then-applicable ceiling level.¹ In this filing, Cypress has elected to charge rates that are less than the applicable ceiling level.

Pursuant to FERC § 341.2(a) (Service of filings), I hereby certify that copies of this filing have been sent, on or before this date, by means of transmission agreed upon, to all subscribers on the Cypress tariff subscriber list.

In accordance with 18 C.F.R. § 343.3(a), Cypress hereby requests that any protest of this filing be emailed to the undersigned at tina_hardy@kindermorgan.com.

If you have any questions regarding this filing, please contact me at (205) 325-3668.

Sincerely,

/s/ Tina Hardy

Tina Hardy
Director, Regulatory

¹ 18 C.F.R. § 342.3(a) "A rate charged by a carrier may be changed, at any time, to a level which does not exceed the ceiling level established by paragraph (d) of this section, upon compliance with the applicable filing and notice requirements and with paragraph (b) of this section."
