

Hiland Crude, LLC
a Kinder Morgan company

Oil Pipeline Filing
May 23, 2025

Ms. Debbie-Anne Reese, Secretary
Federal Energy Regulatory Commission
888 First Street, N.E.
Washington, DC 20426

Dear Secretary, Reese:

In accordance with the requirements of the Interstate Commerce Act and the Rules and Regulations of the Federal Energy Regulatory Commission ("FERC"), Hiland Crude, LLC ("Hiland") submits for filing the following tariffs, effective July 1, 2025:

- FERC Tariff No. 2.22.0, Rules and Regulations, applying on the gathering / transportation of crude petroleum (cancels FERC 2.21.0); and
- FERC Tariff No. 4.19.0, Proportional Tariff applying on the gathering / transportation of crude petroleum on the Richland County Gathering System (cancels FERC No. 4.18.0); and
- FERC Tariff No. 5.44.0, Proportional Tariff applying on the gathering / transportation of crude petroleum on the Market Center Gathering System (cancels FERC No. 5.43.0)

Hiland is making this filing to revise FERC Tariff No. 2.22.0, reflecting a clarification to the nomination timeline and Hiland's ability to reject on a not unduly discriminatory basis certain qualities of crude oil shipments. FERC Tariff No. 4.19.0 Richland County Gathering System removes the Albin Station location as it is no longer operationally available to receive or deliver crude petroleum products. Also, FERC Tariff No. 5.44.0 expands the definition of the origin areas for West Camp Creek and Bainville to include new sections.

In accordance with 18 C.F.R. § 343.3(a), Hiland hereby requests that any protest of the attached tariff be emailed to the undersigned at Tariff_Group@kindermorgan.com.

I hereby certify that copies of this filing have been sent, on or before this date, by means of transmission agreed upon, to all subscribers on Hiland's subscriber list.

If you have any questions regarding this filing, please contact the undersigned at 713-420-4687.

Sincerely,

Bruce Reed
Director-Tariffs and Regulatory Affairs
