

Hiland Crude, LLC  
a Kinder Morgan company

Oil Pipeline Filing  
July 1, 2026

Ms. Debbie-Anne Reese, Secretary  
Federal Energy Regulatory Commission  
888 First Street, N.E.  
Washington, DC 20426

Dear Secretary Reese:

In accordance with the requirements of the Interstate Commerce Act and the Rules and Regulations of the Federal Energy Regulatory Commission ("FERC"), Hiland Crude, LLC ("Hiland") submits for filing the following tariffs, effective July 2, 2026:

- FERC Tariff No. 5.49.0, Proportional Tariff applying on the gathering / transportation of crude petroleum on the Market Center Gathering System (cancels FERC Tariff No. 5.48.0)

It has come to Hiland's attention that there was a transposition error for the transportation rate of crude petroleum from the origin of Epping East, Williams County, North Dakota to the destination of Savage Railport, Williams County, North Dakota. The revised rate should be 80.06 cents per barrel versus the existing rate of 80.60 cents per barrel. Any shippers utilizing this origin/destination combination will be billed the corrected rate for the month of July. All other rates are unchanged from the prior tariffs.

Hiland requests special permission to submit the tariff listed above on less than thirty-days' notice under authority of 18 C.F.R. §341.14 and §341.2, to have the corrected rate available to shippers as soon as possible. Hiland submits that good cause exists for granting this request. Permitting the tariff to become effective on less than thirty days' notice will benefit Hiland's shippers because it will ensure that the tariff will reflect the corrected rate. Hiland acknowledges that this tariff publication is conditionally accepted subject to refund pending a thirty-day review period.

In accordance with 18 C.F.R. § 343.3(a), Hiland hereby requests that any protest of the attached tariff be emailed to the undersigned at [Tariff\\_Group@kindermorgan.com](mailto:Tariff_Group@kindermorgan.com).

I hereby certify that copies of this filing have been sent, on or before this date, by means of transmission agreed upon, to all subscribers on Hiland's subscriber list.

If you have any questions regarding this filing, please contact the undersigned at 713-420-4687.

Sincerely,

Bruce Reed  
Director-Tariffs and Regulatory Affairs
