Dear Ms. Martin

In accordance with the requirements of the Railroad Commission of Texas, Kinder Morgan Wink Pipeline LLC (KMWP) submits for filing the following tariff, effective October 1, 2024:

- Tariff No. 36, Local Rate Tariff applying on the intrastate gathering and transportation of crude petroleum (cancels Tariff No. 35).

KMWP has a single committed shipper. All committed shipper rates in the above proposed tariff are increased from the prior tariff, in accordance with the terms of the committed shipper's transportation services agreement and based on the annual rate indexing methodology established by the Federal Energy Regulatory Commission ("FERC") and its Order Reinstating Index Level, 188 FERC ¶ 61,173 (2024). Therefore, Tariff No. 36 is being filed in order to increase all rates in this tariff, as shown in Items 300-330.

A copy of this filing has been sent to all subscribers on the KMWP subscriber list.

KMWP requests that any protest of this tariff filing be emailed to my attention at the following email address: Tariff_Group@kindermorgan.com
